20th Anniversary Tea Over one hundred people turned up to the party on **16th September**, old and new faces alike. Much fun was had by all, the Pointe Shoe Shy being one of the most popular games, second only to the life size Ballerina cut out. Many thanks to my daughters and husband for supporting me through the years and also now that I am studying for *Fellowship*, the ISTD's highest teaching qualification.

The stunning cake was made by <http://www.cakestoimpress.co.uk/> by Caroline Baker.
